

What is Art?
It is the response of man's creative soul
to the call of the Real.

— Rabindranath Tagore

THE ABYBABY STORY

For over 25 years, Abybaby Events has been at the forefront of India's experiential marketing and event management industry, creating powerful brand experiences that inspire, engage and deliver measurable business outcomes.

From large-scale corporate events and conferences to brand activations, exhibitions, campaign strategy and digital engagement, we help organizations transform ideas into unforgettable experiences that leave a lasting impression. Our success stems from combining deep regional understanding with world-class execution standards.

With a strong network of regional offices across India, we possess the capability to conceptualize, manage and execute large-scale campaigns simultaneously across multiple locations.

04

MORE THAN EVENTS. WE CREATE CONNECTIONS.

In an increasingly data-driven world, genuine human engagement remains the most powerful driver of brand loyalty.

At Abybaby Events, we focus on creating immersive experiences that foster authentic emotional connections between brands and their audiences.

Our role is to turn brand visions into unforgettable realities. We create environments where brands are experienced, remembered and preferred.

Every event, activation and campaign is strategically designed to strengthen relationships, build trust, and create memorable brand moments.

06

EXPERIENCE THAT DELIVERS CONFIDENCE

Over the past two and a half decades, Abybaby Events has successfully conceptualized, managed, and delivered thousands of projects across India, earning a reputation for excellence, reliability, and innovation in the experiential marketing and events industry.

As pioneers in rural activations, we have built an unparalleled on-ground network that reaches every block, tehsil, district and state across India, enabling brands to connect directly with audiences at the grassroots level. From intimate executive gatherings and leadership retreats to large-scale national activations, product launches, exhibitions, and high-profile corporate events, we bring the same level of commitment, creativity, and attention to detail to every assignment.

We are proud to partner with over 100 leading organizations, including multinational corporations, industry pioneers, government institutions, and emerging enterprises that trust us to translate their vision into impactful experiences. These long-standing relationships are built on a foundation of trust, transparency, strategic thinking, and flawless execution.

Backed by a robust pan-India network, experienced professionals, and a culture of operational excellence, we continue to create experiences that inspire audiences, strengthen brands, and deliver measurable business outcomes.

CONCERTS & CONFERENCES

We specialize in designing and managing sophisticated corporate environments that reflect the professionalism, credibility and leadership of your organization. Every event is carefully crafted to align with your brand identity, business objectives

From board meetings and annual general meetings to leadership summits, dealer meets, conferences, town halls and award ceremonies, every detail is thoughtfully planned and professionally executed.

Our experienced team oversees every aspect of the event lifecycle—from conceptualization and venue management to production, technology integration, logistics and on-ground coordination.

PRODUCT LAUNCHES & BRAND ACTIVATIONS

When brands introduce something new to the market, first impressions matter.

We design high-impact product launches and brand activations that generate excitement, maximize visibility and create strong market recall.

Whether introducing a new automobile, consumer product, technology solution or service offering, we create experiences that build anticipation and drive conversations.

Our strategic approach combines creativity, audience engagement and flawless execution to ensure every launch delivers meaningful business impact and media attention.

11

INNOVATIVE OUTDOOR EXPERIENCES

We believe outdoor experiences create some of the most powerful and memorable brand interactions.

From large-format outdoor activations and roadshows to public engagement campaigns and experiential brand installations, we create high-visibility experiences that capture attention and drive audience participation.

Our innovative approach combines creativity, strategic location planning, and immersive brand engagement to transform open spaces into impactful communication platforms

By bringing brands closer to people in real-world environments, we create experiences that generate excitement, strengthen brand recall and leave a lasting impression on audiences across urban and regional markets.

EXHIBITIONS & SHOWCASE EXPERIENCES

Our expertise lies in transforming exhibition spaces into impactful brand environments that reflect innovation, professionalism and strong visual identity

Over the years, we have been associated with large-scale exhibitions, trade shows, expos and industry showcases across diverse sectors and markets.

From engaging booth experiences to immersive brand storytelling, we focus on creating spaces that encourage interaction, conversations and lasting impressions.

At Abybaby Events, we create exhibition experiences that help brands stand out, attract attention and create meaningful audience engagement.

SPORTS EVENTS & ACTIVATIONS

At Abybaby Events, sports is more than competition—it is about energy, passion, teamwork, and unforgettable audience experiences.

Over the years, we have been associated with dynamic sporting events and large-scale activations that bring together participants, fans, brands and communities on a single platform.

Our approach to sports experiences goes beyond event execution—we focus on creating moments that unite people through the spirit of competition and celebration

Whether it is cheering crowds, team spirit, live entertainment, or brand engagement, every sporting event is designed to create an atmosphere of excitement, motivation, and shared energy. Through thoughtfully curated experiences and large-scale audience engagement, we help transform sporting events into memorable occasions that audiences connect with long after the event concludes.

ARTIST & CELEBRITY MANAGEMENT

At Abybaby Events, we specialize in artist and celebrity management solutions that bring star power, audience engagement and unforgettable entertainment experiences to every event.

From renowned singers, performers, musicians, and Bollywood celebrities to anchors, influencers, motivational speakers, stand-up comedians and cultural artists, we deliver end-to-end artist management services with professionalism, discretion and precision.

Over the years, we have successfully managed both national and international artists for corporate events, concerts, brand launches, award nights, cultural festivals, and large-scale entertainment experiences. Our strong industry network and long-standing relationships enable us to curate the right talent aligned with the brand, audience profile and event objective.

CRAFTING DIGITAL EXPERIENCES THAT CONNECT & CONVERT
